Remember, if you have a card, always keep your passcode (PIN) secret - don't tell anyone or let them see it. Never write your passcode on your card or on anything that could be lost or stolen. If you do need to record a reminder, you must make every effort to disguise it. You may be liable for losses if you don't protect your passcode. To help you learn how you can protect your card against unauthorised transactions, you can find more information at westpac.com.au/dispute. If you are a business customer, please go to westpac.com.au/businessdispute

If any loan you hold with us is secured by a real property mortgage; the mortgage terms require the property to be insured. Please review the replacement value of the property and check with your insurer to ensure you have adequate cover. For general information on property insurance, visit the Australian Securities and Investments Commission's MoneySmart website: www.moneysmart.gov.au.

Understanding comprehensive credit reporting

It's more important than ever to pay on time as this is shown on your consumer credit report as part of comprehensive credit reporting (CCR).

CCR provides you with a more complete picture of your credit history including your on time and late repayments. You can also see your consumer credit account open and closed dates, type of credit, credit limit and it now includes whether you are in a financial hardship arrangement.

For more information please see our website, our Privacy Statement or visit CreditSmart.org.au.
